## ONLINE & CLASSROOM STUDY WITH A DIFFERENCE

More than 20 universities have come together to give you a unique opportunity to study new dynamic course modules. Gain international skills and enhance your knowledge by combining online study with classroom teaching.

### **Modules include:**

- Introduction to Entrepreneurship - Kenyatta University (Kenya)
- Research Methodology and Design for Business - Makerere University (Uganda)
- Biochemistry - University of Rwanda
- Introduction to Critical Thinking - Strathmore University (Kenya)
- Numerical Analysis – Open University of Tanzania
- IT Teaching Methods - State University of Zanzibar (Tanzania)

PEBL has been developed in collaboration with the University of Edinburgh, Association of Commonwealth Universities (ACU), Staff and Educational Development Association (SEDA) and the Commonwealth of Learning (COL).
